ENTERPRISE SCS

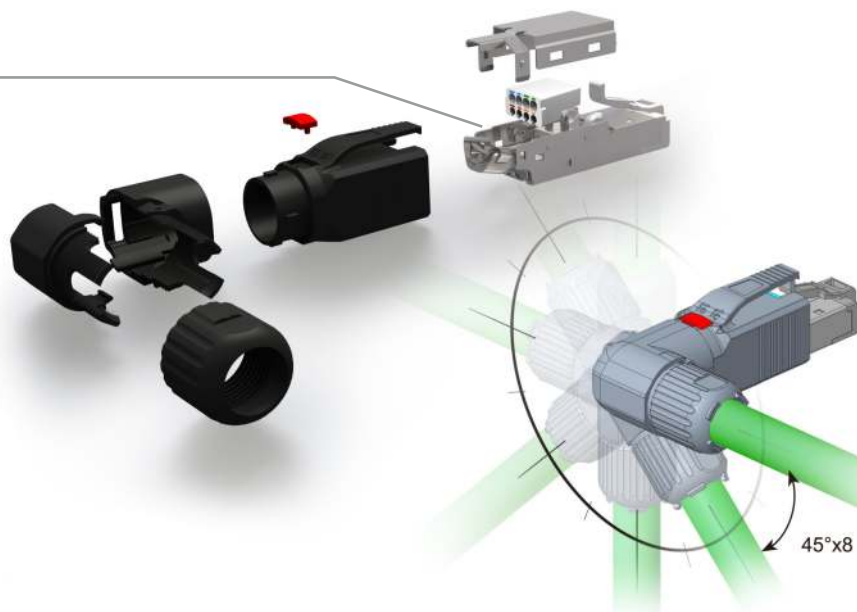

INDUSTRIAL FIELD PLUGS CAT 6A STP, 7 PIECE, 360°, TOOLLESS, PoE+

PoE Enabled Industrial
Field Plug with efficient
strain relief

High Quality
Shield Material

360°
movement
at 8 different
locking
positions

45°x8

Key Features :-

- 360 movement for efficient rack deployment
- **Toolless type** design with contact pins assembled with Solder-less Press-fit process
- Fast and easy **tool free termination** with hands. Optional termination with hand tool
- Gold over nickel plated Contact pins
- **No oxidation** of Contact pins due to absence of soldering flux leading to longer life
- High impact **Polycarbonate Grade plastic**, UL-94V-O rated
- Plug Insertion Life : 1000 cycles

Standard Verification:-

- Qualified screened Cat.6A
- Complies as per ANSI/TIA-568-D.2
- IEC 60603-7-51
- ISO/IEC 11801 2.2 edition
- CENELEC EN 50173-1:2011
