INDUSTRIAL FIELD PLUGS CAT 6A UTP, 3 PIECE, 180°, TOOLLESS, PoE+

PoE Enabled Industrial
Field Plug with efficient
strain relief

Solder-less
Press-fit
IDC Pins

30 micron
Gold Plated
Contact Pins

Key Features :-

- PoE Enabled Industrial Field Plug
- **Toolless type** design with contact pins assembled with Solder-less Press-fit process
- Fast and easy **tool free termination** with hands. Optional termination with hand tool
- Gold over nickel plated Contact pins
- **No oxidation** of Contact pins due to absence of soldering flux leading to longer life
- High impact flame retardant plastic
- Plug Insertion Life : 1000 mating cycles

Standard Verification:-

- Qualified unshielded Cat.6A
- Complies as per ANSI/TIA-568-D.2
- IEC 60603-7-41
- ISO/IEC 11801 2.2 edition
- CENELEC EN 50173-1:2011
