

# STRUCTURED CABLING SYSTEMS

## DIGISOL Adapters LC Type

### Introduction:-

DIGISOL LC Adapters are designed for high density applications and available in Simplex and Duplex types. Available in either Snap mount or Screw mount installation style.

### Key Features:-

- Small Footprint
- Telcordia GR-326-Core
- RoHS Compliance
- Low Insertion and Return Loss
- Self Adjusting Metal Panel Clips
- Available in Simplex and Duplex Types

### Applications:-

- Telecommunications Networks
- LAN
- Data Communications
- Optical Equipments
- FTTH
- CATV
- Premises Distribution

### Specifications:-

- Insertion Loss :  $\leq 0.20$  db for Zirconia Sleeve
- Sleeve/ferrule Withdrawal Force : 1.0N ~ 2.5N
- Durability(1000 Matings) :  $\leq 0.2$ db
- Main Body Material : PEI

### Ordering Information:-

Part Codes	Description
DGF-ASMSLC-P	DIGISOL Adapter, SM, Simplex LC, PC Type
DGF-ASMDLC-P	DIGISOL Adapter, SM, Duplex LC, PC Type
DGF-AMMSLC-P	DIGISOL Adapter, MM, Simplex LC, PC Type
DGF-AMMDLC-P	DIGISOL Adapter, MM, Duplex LC, PC Type
