DIGISOL Adapters SC Type

Introduction:-

DIGISOL Range of SC Adapters Feature in Either a Snap or Flange Mount. Designed to Support the TIA/EIA Telecommunication Wiring Standards. Adapters are also Available with Snap on Shutters Providing a Barrier Against Harmful Light Emissions.

Key Features:-

- Compact Design
- Telcordia GR-326-Core
- RoHS Compliance
- Low Insertion and Return Loss
- Available In Simplex and Duplex Types

Applications:-

- Telecommunications Networks
- LAN
- Data Communications
- CATV
- Optical Equipments

Specifications:-

- Insertion Loss : ≤ 0.20 db for Zirconia Sleeve
- Sleeve/ferrule Withdrawal Force : $2.0N \sim 5.9N$
- Durability(1000 Matings) : $\leq 0.2db$
- Main Body Material : PBT/ABS

Ordering Information:-

Part Codes	Description
DGF-ASMSSC-P	DIGISOL Adapter, SM, Simplex SC, PC Type
DGF-ASMDSC-P	DIGISOL Adapter, SM, Duplex SC, PC Type
DGF-AMMSSC-P	DIGISOL Adapter, MM, Simplex SC, PC Type
DGF-AMMDSC-P	DIGISOL Adapter, MM, Duplex SC, PC Type
